Under Rule 58 of the Book of Financial Powers the Resident can sanction the creation of the post in question.

(E) 2

Although the retrenchment orders of the Political Department do not take away the powers of sanction of the Resident to create a new post, it has been held that in view of the instructions contained in paras 1(b) and 4 of their letter dated the 14th November 1938, the sanction of H.E. the Crown Representative is necessary to the continuance of a temporary post sanctioned by the Resident. It would seem therefore that the sanction of the Political Department is necessary for the creation of a new post also. ~~for a period of one month.~~

As the Inspector considers that the appointment of a temporary clerk for one month is essential, the sanction of the Political Department may, if approved, be applied for.

I think the cost of the clerk required for sorting out of records ek pertaining to Coorg will be a legitimate charge on Coorg Provincial revenues and that the temporary post may be sanctioned by the C.C Coorg, pay being charged entirely to Coorg.

I think we must try and get on without one. Inspector of Schools should do all he can with existing staff, and when his staff is finally cut down, a man can be kept on for a bit if necessary as far as I know some people may have to be retrenched in his office, and they will have to get notice or gratuity in lieu of it, & can be employed for a bit longer to clear up, if necessary

To

The Secretary to the Hon'ble the Resident in Mysore,
B A N G A L O R E.

Sir,

I have the honour to state that since my control of the Coorg Educational Department will cease shortly, it will be necessary to sort out the records etc. pertaining to the Coorg Educational Department and keep them ready for transfer to the District Educational Officer, Coorg, when one is appointed. It will not be possible for my present staff to do the work in addition to their daily duties. I therefore request you to be good enough to move the Hon'ble the Resident to sanction a temporary clerk on Rs.30/- per mensem for a month with effect from 5-2-1939. One of my clerks is on leave on medical certificate. He will return to duty on 5-2-1939, when he will be entrusted with the work of arranging the records, and the temporary clerk will be assigned the typing and other work of the office.

2. The additional expenditure will be met from the provision under "Account II - Education - G.General - G.1. Inspection - G.1(2) Pay of Establishment " in the current year's Mysore Assigned Tract Budget.

3. Orders are solicited before 5-2-1939.

I have the honour to be,
Sir,
Your most obedient servant,

Appointment of a temporary clerk in the Office of the Inspector of Schools, Coorg and Bangalore, for sorting out records relating to the Coorg Educational Department.

Sir,

I am directed to refer to your letter No.267/B-45/39, dated the 24th January 1939.

2. Under the present orders, the appointment of a temporary clerk requires the sanction of the Political Department. The Resident suggests therefore that the existing staff should try and do ~~as much of~~ the work ~~as possible~~ without additional help. When the Coorg Educational Department is separated and your staff is cut down, a man can be kept on for a short period, ~~if necessary,~~ to clear up the work, if necessary.

I have etc.,

SECRETARY TO THE RESIDENT.
